Special meetings of the Members shall be called by the Steering Committee or the Chair of the Steering Committee.

Section 3: Notice of Meetings

Unless otherwise provided by these Bylaws, notice stating the place, day, and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than fifty (50) days before the date of the meeting, either personally, by mail, or by electronic mail, by or at the direction of the Chair of the Steering Committee, to each member entitled to vote at such meeting. Personal notification includes notification by telephone or by facsimile machine.

Whenever any notice of a meeting is required to be given to any member of this Association under provisions of these Bylaws, a waiver of notice in writing signed by the member, whether

before or after the time of the meeting, shall be equivalent to the giving of such notice.

Section 4: Quorum for Meetings

A quorum shall consist of a minimum of 40 percent of the total Regular Membership or a total of 30 Regular Members, whichever is the lowest.

Ballots shall be mailed, delivered, or emailed in the manner required for giving notice of membership meetings as specified in these bylaws.

Approval of action by written/electronic ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.
